Partner Tier System

Three capability tiers aligned with TRC certification levels. Higher tier = more project types = more revenue.

Returna — Internal
February 2026
ONE-PAGER

🎯 ***"Higher Certification = More Opportunities. Tiers determine eligibility, not preference."***

CATEGORY 1

Basic Processing

TRC Level 1 — Foundation

Core ITAD processing: receive, erase, sort, recycle.

REQUIRED CERTIFICATIONS

- ✓ ISO 27001 (or parent scope coverage)
- ✓ Returna-approved erasure tool
- ✓ ISO 14001 + WEEE registration

CAPABILITIES

- ✓ Secure intake & asset registration
- ✓ Data erasure (standard devices)
- ✓ Basic sorting & grading
- ✓ WEEE-compliant recycling
- ✓ Secure storage & chain-of-custody

ELIGIBLE WORK

Recycling | Basic ITAD | Secure disposal

CATEGORY 2

Diagnostics & Grading

TRC Level 2 — Intermediate

Advanced processing with diagnostics, testing, and value recovery.

REQUIRED (CAT 1 + THESE)

- ✓ Advanced data erasure capability
- ✓ Hardware diagnostics tooling
- ✓ ISO 9001 (recommended)

CAPABILITIES

- ✓ Everything in Cat 1, plus:
- ✓ Advanced erasure (servers, mobile, NVMe)
- ✓ Full hardware diagnostics
- ✓ Functional testing & cosmetic grading
- ✓ Component harvesting
- ✓ Resale-ready preparation

ELIGIBLE WORK

All Cat 1 work | Value recovery

CATEGORY 3

Full Refurb & Box Programs

TRC Level 3 — Advanced

Full lifecycle: box programs, refurbishment, redeployment, white-glove.

REQUIRED (CAT 2 + THESE)

- ✓ TRC Level 3 certification (or equivalent)
- ✓ ISO 9001
- ✓ Box program logistics capability
- ✓ Resale channels (B2B / marketplace)

CAPABILITIES

- ✓ Everything in Cat 2, plus:
- ✓ Enterprise box programs (home pickup/drop-off)
- ✓ High-value refurbishment (skins, keys, screens)
- ✓ OS imaging & MDM enrollment
- ✓ Kitting & white-glove delivery

Enterprise ITAD

Resale prep

✓ Multi-country logistics coordination

ELIGIBLE WORK

All Cat 1+2 work

Box programs

Refurbishment

Redeployment

White-glove

⚡ Scoring Criteria (Point-Based Assignment)

DIMENSION	WHAT WE EVALUATE	WEIGHT
🔒 Security Certs	ISO 27001, erasure tooling, NIST 800-88 compliance	25%
🌱 Environmental	ISO 14001, WEEE, downstream documentation	15%
🔧 ITAD Capabilities	Erasure, diagnostics, grading, repair, refurb depth	25%
📦 Logistics	Box program readiness, pickup networks, cross-border	15%
📊 Capacity & Experience	Devices/month, years active, enterprise references	10%
💻 Tech Readiness	API capability, ERP integration, digital maturity	10%

Enter at Any Tier

Partners assessed on current capabilities. No penalty for starting at Cat 1.

🎓

Train with TRC

TRC provides certification training: 4 levels from Applicator to Master Refurbisher.

⬆️

Upgrade & Earn More

Higher tier = access to box programs, refurb projects, and premium enterprise volume.

🎓 TRC CERTIFICATION LEVELS

→ **Level 1 — Applicator:** Basic refurb skills (skins, cleaning)

→ **Level 2 — Advanced:** Keyboard replacement, component-level work

💰 RETURN HUB ECONOMICS

→ **Execution fee:** Hub receives 90% (Returna takes 10%)

→ **Resale proceeds:** 70% enterprise / 30% Return Hub

→ **Level 3 — Screen Specialist:** Display repair, advanced diagnostics

→ **Level 4 — Master Refurbisher:** Full lifecycle refurbishment

TRC supplies skins, SticKeys, tools. Returna can route partners to TRC for training.

→ **Returna takes zero resale upside**

→ **Free ERP:** Warehouse module included

→ **No sales effort needed:** Returna routes enterprise demand

Higher tiers unlock higher-value projects → more revenue per device.
